

## Health Department Highlights (FY2013-2014)

- In August, the department conducted a Community Opinion Survey and a Customer Satisfaction Survey to gather feedback from clients and the community.
- In October, the Health Department collaborated with Drug Free Moore County to hold Operation Medicine Drop events throughout the year to provide citizens with a safe way to dispose of expired or unused medications.
- In November, Moore Healthy Dining Program *Diamond A* awards were presented to Moore Regional Hospital Food Services and Lady Bedford's Tea Parlour & Gift Shoppe in recognition of their clean and safe environments and offering of healthy food choices to their patrons.
- In December, the Health Department completed its 2013 Community Health Assessment and determined that the 3 priority health issues that will become a focus over the next 3 years are substance abuse, obesity, and aging issues.
- In January, the Health Department started the process of conversion to electronic medical records.
- In February, the department began contracting with Dr. John Byron and Dr. Walter Fasolak of Southern Pines Women's Health Center to supply coverage for the Health Department's Maternity clinic.
- In March, Dental Hygienist Tammie Fox began work with the department. Prior to her employment, a dental hygienist has not been on staff since the retirement of long-time dental hygienist, Beverly Bizzell in 2012.

- In March, the annual County Health Rankings Report ranked Moore County 13th best in health outcomes and 14th best in health factors when compared to the rest of North Carolina's 100 counties.
- In April, the Health Department completed its official accreditation site visit and was later awarded accreditation status by the Local Health Department Accreditation Board.
- In May, the Board of Health completed their Orientation to Public Health in North Carolina as required by the NC Health Department Accreditation Board.
- In June, to prevent food borne illness, Environmental Health staff provided comprehensive coverage during the back-to-back men & women's US Open golf tournaments, which attracted nearly 300,000 visitors to Moore County.
